- ◆ **All dogs must be registered with APDT Rally to compete. A one-time registration form is included and must be submitted DIRECTLY to the Rally Coordinator (NOT to trial hosting organization).The dog must have an APDT registration number in order to enter the trial. We cannot accept an entry without a valid APDT Rally registration number.**
- ◆ Dogs must be shown by a member of the owner's immediate family: mother, father, spouse, life partner, sibling, child, grandparent, or grandchild.
- ◆ Safety shall always be of foremost consideration in actions and conduct by handlers at all times. Handlers, through entry at this event, accept full responsibility for themselves and the actions of their dogs.
- ◆ The organizing committee may refuse any entry for any reason.
- ◆ **THERE SHALL BE NO REFUND** for entries withdrawn after the closing date or in the event a dog and/or handler are dismissed from competition, regardless of reason for such dismissal. There will be no refunds if the trial has to be cancelled for any reason. No entry fees will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, Act of God, public emergency, act of a public enemy, strike or any other cause beyond the control of the organizers.
- ◆ Returned checks do not constitute a valid entry. There will be a \$35.00 service charge for returned checks. Payment of entry fees and service charges shall be made in cash or money order within 30 days of postmark of notice of returned check where notification is received after event date. Any fees not received within 30 days of notice result in cancellation of event results for all classes for the registration number(s) of delinquent entry/entries. Food rewards must be contained in pockets or hidden treat pouches and only be present in the owner's hand when being presented to the dog. Any petting, touching, or feeding that significantly interrupts the flow of performance shall be scored accordingly.
- ◆ Dogs must remain on leash at all times when not in the ring and under control at all times whether on or off leash while on show grounds. Day kenneling only is permitted, unless otherwise posted at the show site. Crates may be left overnight at your own risk.

# APDT Rally Description

For a complete description of the APDT Rally rules, regulations, performance guidelines, explanation of exercises, etc. go to [www.APDT.com/Rally](http://www.APDT.com/Rally). To learn more and get new ideas, you can join the "all dogs" Rally chat list and talk to other APDT Rally enthusiasts by sending a message to [RallyO-All-Dogs-subscribe@yahoo.com](mailto:RallyO-All-Dogs-subscribe@yahoo.com).

APDT Rally is a sport which consists of a sequence of stations, run as a heel-work course by a handler and dog, where a sign at each station indicates an obedience exercise which the team must perform. Rally is designed to be more relaxed than precision competitive Obedience, focusing instead on attitude and enthusiasm, while the variety of exercises and courses allows you to show off your versatility and teamwork. Rally is intended to promote positive relationships between dogs and owners based on trust and mutual respect. Dogs and handlers should both appear to be enjoying the competition and each other's company.

**APDT Rally encourages participation by ALL dogs – purebred or mixed breed, pets or titled champions.** Handlers are allowed to encourage their dogs in the ring using verbal praise, petting, and even food rewards just as they would in a good training session. The dogs must perform the exercises correctly and there should be a practiced smooth flow to the performance.

Rally courses, depending on the competition level, consist of 18 to 22 stations, laid out in a numbered pattern (like an agility course), performed on-leash in Level 1 or off-leash in Levels 2 and 3 (a Level 1 title is required to compete at Level 2 and a Level 2 title is required to compete at Level 3). Also like agility, handlers get to walk the course and familiarize themselves with the pattern without their dog before running the course. During their run, the dog and handler move through the course in heel position, performing each exercise in turn.

There are as many as 63 different stations, which might be seen in a Rally course, primarily variations on basic heel exercises and other Obedience skills. Many of the stations involve activities you are probably familiar with; such as *Slow/Normal/Fast Pace Heel*, *Halt*, *Left/Right/About Turn*, and *Finish Right/Left*. Others are simple extensions, such as *270°* and *360° Right/Left Turns*, *Straight Figure Eight*, and *Send over Jumps*. There is also an optional Bonus exercise that can be performed at the end of the course.

This APDT Rally titling event will allow competitors to earn legs or points toward Rally titles. APDT Rally allows all breeds and mixed breeds to complete and is committed to encouraging positive training methods. The APDT is an organization for professional dog trainers with almost 6,000 members worldwide. It was founded in 1993 with the mission of enhancing the human-dog relationship by educating trainers, other animal professionals and the public and advocating dog friendly training. For more information, visit [www.apdt.com](http://www.apdt.com).

You must be familiar with all of the different APDT Rally exercise signs prior to the event. Go to [www.apdt.com/rally](http://www.apdt.com/rally) for an explanation of each of the exercise signs and have fun practicing them with your dog. To find an APDT Rally class in your area, visit the APDT Rally website.

## Which Class Do I Enter

Each Level is divided into two classes. The A class is for teams who are working toward earning their title at that level. The B class is for teams that have earned their title at that level and are working toward Championship points. For example, the Level 1 A class is for teams who have not yet earned their Level 1 title. Level 1 B class is for teams that have earned their Level 1 title and are working toward Championship points. Once you have earned your Level 1 title, you must enter the Level 1 B class if you wish to continue competing in that Level. All teams working toward a Level 1, Level 2 or Level 3 title are in the A class regardless of any titles they have achieved from other sports or Rally venues.
